अधिनिर्णय

दिनांक 22-1-2003

श्रम मंत्रालय भारत सरकार द्वारा अधिसूचना क्रमांक एफ. 12012/
42/99/आई.आर. (बी-II) दिनांक 4/11-6-1999 से निम्न विवाद
वास्ते अधिनिर्णय इस न्यायालय को प्रेषित किया है :—

"Whether the action of the management of UCO Bank, Jodhpur in terminating the services of Sh. Shirmohar Meena, Ex. Daily Rated Employee w.e.f. 7-5-97 is legal and Justified ? If not, what relief the concerned workman is entitled to ?"

प्रार्थी ने अपना मांग-पत्र प्रस्तुत करते हुए कहा है कि अप्रार्थी द्वारा प्रार्थी को 50 रुपये प्रतिदिन की शर्त पर दैनिक वेतन भोगी कर्मचारी के रूप में यूको बैंक ब्रांच नेहरू पार्क, जोधपुर में 29-6-1994 को नियुक्ति दी, प्रार्थी ने अप्रार्थी के अधीन 29-6-94 से 6-5-97 तक निरन्तर कार्य किया तथा उक्त अवधि का भुगतान भी अप्रार्थी ने प्रार्थी को किया। प्रार्थी का कथन है कि उसने अप्रार्थी के अधीन 1043 दिन निरन्तर कार्य किया, प्रार्थी को नियुक्ति स्थाई पद के विरुद्ध दी गई थी तथा प्रार्थी को स्थाई रूप से नियुक्त किया जाना था परन्तु अप्रार्थी मैनेजर यूको बैंक नेहरू पार्क, जोधपुर द्वारा दिनांक 6-5-1997 को मौखिक आदेश से प्रार्थी की सेवाएं 7-5-1997 को विधि विरुद्ध समाप्त कर दी गई, सेवापृथकता के समय प्रार्थी का मासिक वेतन 65 रुपये प्रतिदिन था। प्रार्थी का कथन है कि अप्रार्थीगण के उक्त विधि विरुद्ध आचरण व कृत्य के विरोध में यूको बैंक स्टाफ एसोसिएशन, जोधपुर के माध्यम से 27-1-98 को समझौता अधिकारी के समक्ष श्रम विवाद प्रस्तुत किया, अप्रार्थी ने प्रार्थी की सेवा समाप्ति का कोई कारण नहीं बताया तथा धारा 25-एफ औद्योगिक विवाद अधिनियम के प्रावधानों की पालना भी नहीं की गई, उसे एक माह का नोटिस, नोटिस वेतन व छंटनी का मुआवजा नहीं दिया गया। धारा 25-जी के अन्तर्गत लास्ट कम फर्स्ट गो के नियम की पालना नहीं की गई, वरीयता सूची नहीं बनाई अतः सेवा समाप्ति का आदेश पूर्णतया अवैधानिक व विधि विरुद्ध है। अन्त में निवेदन किया है कि प्रार्थी को सेवा की निरन्तरता में पूर्ण पूर्व भूति सहित सेवा में पुनर्स्थापित किये जाने का अधिनिर्णय पारित किया जावे।

अप्रार्थी की ओर से जवाब प्रस्तुत करते हुए कहा गया है कि अप्रार्थी बैंक ने प्रार्थी को दिनांक 29-6-1994 या अन्य कभी भी नियुक्ति

नहीं दी, प्रार्थी ने कभी भी बैंक में कार्य नहीं किया जब अप्रार्थी बैंक के प्रार्थी को कोई नियुक्ति ही नहीं दी तब किसी भी अधिनियम की धाराओं की पालना करने का प्रश्न ही पैदा नहीं होता है। अन्त में प्रार्थीना की है कि प्रार्थी का मांग-पत्र मय खर्च खारिज किया जावे।

प्रार्थी ने अपने मांग-पत्र के समर्थन में स्वयं का शपथ-पत्र प्रस्तुत किया जिस पर अप्रार्थी प्रतिनिधि द्वारा जिरह की गई तथा अप्रार्थी की ओर से अरुण गुप्ता का शपथ-पत्र प्रस्तुत किया जिस पर प्रार्थी प्रतिनिधि द्वारा जिरह की गई। प्रार्थी की ओर से दस्तावेजी साक्ष्य में बैंक (रिट्टन) लौटाये जाने की डिलीवरी बुक वर्ष 1994, प्रार्थी को किये गये भुगतान के बाउचर्स, प्रार्थी के बैंक खाते की नकल प्रस्तुत की गई। विपक्षी की ओर से कोई दस्तावेजी साक्ष्य प्रस्तुत नहीं की गई है।

दोनों पक्षों की बहस सुनी, पत्रावली का अवलोकन किया।

प्रार्थी द्वारा अपने मांग-पत्र में यह स्पष्ट कथन किया है कि उसने विपक्षी के यहाँ निरन्तर 1043 दिवस काम किया, इसका कोई खण्डन विपक्षी की ओर से पेश नहीं हुआ। विपक्षी का केवल मात्र यह कथन रहा है कि उन्होंने प्रार्थी को कभी भी नियुक्ति नहीं दी थी। अब माननीय उच्च न्यायालय के आदेश दिनांक 27-9-2002 से यह स्पष्ट माना जा चुका है कि प्रार्थी ने विपक्षी के यहाँ काम किया है और इस न्यायालय को केवल यह निर्णय करना है कि प्रार्थी ने विपक्षी के यहाँ एक कलैण्डर वर्ष में 240 दिन काम किया है अथवा नहीं।

प्रार्थी की ओर से 22 अगस्त 1998 का यूको बैंक मैनेजर का सहायक श्रम आयुक्त को लिखे पत्र से ही यह स्थिति स्पष्ट है कि प्रार्थी ने विपक्षी के यहाँ पर काम किया था, प्रार्थी की ओर से सहायक श्रम आयुक्त को लिखे गये पत्र में भी इस स्थिति को स्पष्ट किया गया है कि उसने विपक्षी के यहाँ 1043 दिन जून 1994 से 6 मई, 1997 तक काम किया है और दिनों के विवरण के सम्बन्ध में भी चार्ट पेश हुआ है जिसे यह स्थिति स्पष्ट होती है कि प्रार्थी ने विपक्षी के यहाँ 1043 दिन जून 94 से 6 मई, 97 तक लगातार काम किया है। इसका कोई भी खण्डन विपक्षी की ओर से पेश नहीं हुआ है। सम्पूर्ण रिकार्ड विपक्षी के कब्जे में है इसके बावजूद भी कोई रिकार्ड विपक्षी की ओर से पेश नहीं हुआ है। इससे यह स्थिति निर्विवाद तौर पर साबित है कि प्रार्थी ने विपक्षी के यहाँ 29-6-94 से 6-5-97 तक लगातार काम किया था और उसे सेवामुक्ति के पूर्व उसे नोटिस, नोटिस वेतन व छंटनी मुआवजा नहीं दिया गया है।

इस प्रकार यह स्थिति स्पष्ट है कि प्रार्थी विपक्षी के यहाँ पर दैनिक श्रमिक के रूप में कार्यरत था और उसकी सेवाएं 7-5-97 को अवैध रूप से समाप्त कर दी। ऐसी स्थिति में प्रार्थी पुनः सेवा में लगाये जाने का अधिकारी है।

विपक्षी का यह कथन है कि पुनः सेवा में नियुक्ति दिया जाना आवश्यक नहीं है और इस सम्बन्ध में एस. बी. सिविल रिट पिटीशन नं. 1961/2000, डी. बी. सिविल स्पेशल अपील नं. 930/2001, एस. बी. सिविल रिट पिटीशन नं. 4600/2000, ए. आई.आर. 2001 सुप्रिम कोर्ट पेज 2401 सैन स्टील प्रोडक्ट बनाम नायपालसिंह के विनिश्चय पेश किये इन निर्णयों को पढ़ने से यह स्थिति स्पष्ट होती है और माननीय उच्चतम न्यायालय द्वारा विक्रेमादित्य पाण्डे के केस में यह पूरी तरह स्पष्ट कर दिया है कि जब एक बार कर्मचारी की सेवामुक्ति अवैध मान

ली गई है तो सामान्य अनुतोष पूरे वेतन के साथ नौकरी की पुर्नस्थापना है लेकिन यदि कोई विशेष परिस्थितियों का अभिकथन किया गया है और उन्हें साबित किया गया है तो इन विशेष परिस्थितियों में यह जरूरी नहीं है कि सेवा में पुर्नस्थापित किया जावे अथवा पूरा वेतन दिलाया जावे। इस स्थिति का विवेचन प्रस्तुत रूप से विविध विवेचनों में किया गया है और यह स्पष्ट किया गया है कि यथा अनुतोष दिया जाए यह प्रत्येक प्रकरण के तथ्यों और परिस्थितियों पर निर्भर करेगा। प्रस्तुत प्रकरण में प्रार्थी को नौकरी पर पुनः नहीं रखा जाए, इस सम्बन्ध में विपक्षी की ओर से कोई विशेष परिस्थितियाँ न तो अभिकथित की गई हैं और न ही साबित की गई हैं बल्कि स्वयं विपक्षी ने त्रुटिपूर्ण प्रतिरक्षा प्रस्तुत करते हुए यह कथन किया कि प्रार्थी ने उनके यहाँ कभी भी काम नहीं किया। सैन स्टील प्रोडक्ट बनाम नाथपालसिंह के विविध विवेचनों में 1975 से कर्मचारी काम नहीं कर रहा था और 2001 में आदेश पारित किया गया है यहाँ पर ऐसी स्थिति भी नहीं है। प्रार्थी को वर्ष 1997 में सेवामुक्त किया गया है। इस प्रकार कोई असाधारण देरी हो गई हो ऐसी स्थिति भी नहीं है। अतः प्रार्थी को पुनः सेवा में नियुक्त किये जाने का आदेश देना ही उचित होगा और कोई विशेष परिस्थितियाँ नहीं हैं जिस कारण उसे सामान्य अनुतोष से भिन्न अनुतोष दिया जाए।

प्रार्थी को 7-5-1997 को सेवामुक्त किया गया है और प्रस्तुत रेफरेन्स अगस्त 1999 में लागभग दो वर्ष बाद प्राप्त हुआ है इस दरम्यान प्रार्थी ने विपक्षी के यहाँ काम नहीं किया है इस स्थिति को देखते हुए प्रार्थी को रेफरेन्स की तिथि 11-6-1999 से आदेश की पालना तक 50 प्रतिशत पूर्व भूति दिलाई जाती है।

अधिनिर्णय

अतः यह अधिनिर्णित किया जाता है कि अप्रार्थी नियोजक यू.को. बैंक द्वारा प्रार्थी सिरमोहर पुत्र श्री रंगलाल भीणा को दिनांक 7-5-1997 से सेवा से पृथक किया जाना अनुचित एवं अवैध है। अतः आदेशित किया जाता है कि अप्रार्थी नियोजक प्रार्थी को तुरन्त सेवा में पुर्नस्थापित करें, प्रार्थी की सेवाएँ निरन्तर मानी जावेगी, प्रार्थी रेफरेन्स की तिथि 11-6-1999 से आदेश की पालना तक 50 प्रतिशत राशि पूर्व भूति के रूप में प्राप्त करेगा।

AWARD

(Dated 4th February 2003)

The Central Govt. Ministry of Labour vide Notification No. L-12012/297/93-I.R.B.2 dated 8th March 1994 has referred the following dispute to this Tribunal for adjudication :

“Whether the action of the management of Punjab National Bank, Kurukshestra in stopping five increments with cumulative effect and withdrawal of Special Allowance of Shri Balwant Singh, Clerk-cum-Cashier vide their order dated 19-9-1990 is just and legal ? If not, what relief, is the workman entitled to ?”

2. In the claim statement it is pleaded that workman was placed under suspension and the branch manager

as not empowered to pass the suspension order/charge sheet dated 23-7-1988. In the enquiry also the workman was not given proper and reasonable opportunity and he was not allowed to be defended by a lawyer and the enquiry was not conducted in accordance with the principle of natural justice and as per procedure. It is further pleaded that action of the Management in awarding him capital punishment of stoppage of five increments with cumulative effect and to withhold the arrears of suspension period is illegal and unjustified. It is also pleaded that the bank has not suffered any loss. It is thus, prayed that the management be directed to withdraw the punishment orders and enquiry be declared as vitiated and he be paid all backwages and other benefits including seniority etc.

2(a). In the written statement the management has pleaded that the workman was involved in a fraudulent payment of Rs. 19216.05 on 5-8-87 at B.O. Narwana and he was suspended and charge sheet dated 23-7-1988 was served upon him. The reply was not found satisfactory and an enquiry officer was appointed. The enquiry officer conducted the enquiry as per the provisions of the Bipartite Settlement and keeping in view the principle of natural justice. The workman was given full opportunity to defend his case. Disciplinary authority after carefully considering the matter proposed the punishment of dismissal from service in the show cause notice. But after considering the reply to the show cause notice, lenient view was taken and he was awarded the punishment of stoppage of five increments with cumulative effect. The appeal filed by the workman was also rejected by the appellate authority after giving him personal hearing. The bank has further pleaded that in case the process of enquiry at any stage is not found proper by this Tribunal, it is requested that bank is ready to lead the evidence afresh before the Tribunal to sustain the charges against the workman for which the punishment was imposed. It is prayed that the enquiry was properly held and punishment was also not excessive and the management prayed for the rejection of the reference.

3. Replication was also filed reiterating the claim made in the claim statement.

4. The management also placed on the record the entire enquiry proceedings. Both the parties have filed their written arguments which I have carefully gone through and also consider the record of the case. In the written arguments filed by the learned counsel for the workman it is stated that the defence of the workman was prejudiced as he was not allowed to defend by the lawyer of his choice during the enquiry proceedings. The other plea in the written arguments have been taken that entire enquiry proceedings deserved to be vitiated as the workman was examined at the very beginning before the examining of the witnesses of the management. On the other hand the written arguments filed by the management contain that no prejudice has been caused to the workman in his defence and it is also pleaded that as per the provisions of Chapter

19 of the Bipartite Settlement a workman employee has no right to be represented by a lawyer in the departmental proceedings unless the permission is granted by the Bank Management as the presenting officer of the bank was not a legally trained person. It is also pleaded in the written arguments on behalf of the workman that enquiry officer was biased against the workman and the findings of the enquiry officer was also perverse.

5. I have carefully gone through the submissions of both the parties and their written arguments. Chapter 19 of the Bipartite Settlement clearly reveals that the workman can be permitted to be represented by a lawyer only with the permission of the management. It is also there on the file that the presenting officer of the bank was also not from the legal side or a legally trained person. It is also not shown by the workman that how he has been prejudiced in not allowing a lawyer during the enquiry proceedings. Thus if he was not allowed to be represented by a lawyer, no prejudice has been shown to be caused to him and there is no merit in the plea of the workman. Regarding the plea of the workman that his examination was done by the enquiry officer before the evidence of the management, he has not objected to this during the enquiry proceedings. He has also not shown that any prejudice has been caused to him. I have gone through the enquiry proceedings. He has confessed the allegations vide his letter dated 6-4-1990 exhibited in the enquiry as M17. He has been given reasonable opportunity to present his case. He has made his own statement during the enquiry and also examined two witnesses in his defence. All the documents were also made available to him during the enquiry proceedings. It also reveals in the enquiry proceedings that the Branch Manager suspend the workman on the directions of the regional manager vide Ex. M9 in the enquiry. The workman also cross-examined the witnesses of the management. Thus from all angles, in my considered opinion, the enquiry has been conducted in accordance with the principles of natural justice and he was given full opportunity of defence. The findings of the enquiry officer are also well reasoned and based on the evidence during the enquiry. It is also pleaded in the written arguments that the punishment is excessive as five increments have been stopped with cumulative effect. It is admitted case of the parties that show cause notice was given for dismissal of service of the workman. But the disciplinary authority has already taken a lenient view and converted the proposed punishment of dismissal into stoppage of five increments with cumulative effect. Thus, I find no ground to interfere in the punishment also.

6. In view of the discussions made above, there is no merit in the present reference, and the same is answered against the workman and returned to the Central Govt. accordingly, for publication.

AWARD

(Passed on 3-2-2003)

The Central Govt., Ministry of Labour vide Notification No. L-12012/179/98-I.R. (B-II) dated 8th March, 1999 has referred the following dispute to this Tribunal for adjudication :

“Whether the action of the management of the i.e. Canara Bank in dismissing the services of

Sh. Darshan Singh is legal and justified ? If not, what relief the concerned workman is entitled to and from what date ?”

2. The applicant filed the claim statement pleading therein that he was working with the Management at Bhatinda Branch and some mistakes were occurred by the workman which were bona fide and not on account of any negligence and lateron these mistakes were rectified. On the basis of preliminary enquiry he was issued a charge sheet for various acts of misconduct including making factitious entries. He further pleaded that these were minor mistakes but the then Manager being biased to him, enquiry was conducted which was not as per the procedure and in accordance with the principles of natural justice. It is further pleaded that documents were not supplied by the management during the enquiry proceedings. It is further pleaded that the punishment of dismissal is also excessive to the gravity of the charges. He has thus prayed that his dismissal order be setaside and he be reinstated in service with full back wages and other consequential benefits.

3. In the written statement it is pleaded by the Management that the workman was charge sheeted for misappropriation of the money belonging to the customers of the bank and he also tempered the record. It is further pleaded that the applicant was found guilty for his fraudulent acts and enquiry was conducted which was attended by the workman. The appeal filed by workman against the punishment has been rejected after giving the personal hearing to the workman and after analysing the averments made in the appeal. The documentary evidence proved during the enquiry clearly proves the involvement of the applicant in respect of the fraudulent acts committed by him. It was thus prayed that there is no merit in the present reference and the same be rejected.

4. Rejoinder to the written statement was also filed by the applicant reiterating the claim made in the claim statement.

5. The management produced the complete enquiry file on record which I have gone through with the assistance of the learned counsels for both the parties. I have also heard at length the learned counsels. The learned counsel for the workman has also filed brief note of the submissions which I have carefully gone into.

6. The learned counsel for the workman has argued that it has come during the enquiry proceedings regarding charge No. I that a sum of Rs. 5000 was received from Baldev Singh father of account holder for depositing in his account but was not deposited in the bank though an entry was made in the pass book and ledger. During the enquiry M.E. 30 and D.W. 5 made the statement and this charge was falsified. It is admitted by the workman in the claim statement that some mistakes were committed but these were bona fide. It is pleaded that the entries were first made but some of the notes were soiled one and these notes

were returned to the said Baldev Singh and entries were not corrected. Later on Baldev Singh deposited the amount in the bank and the account were regularised and the bank suffered no monetary loss. Regarding the second charge that a sum of Rs. 20,000 was deposited in the bank and scroll and ledger entries were made for this amount but entry in pass book was made for Rs. 21,000. It is argued by the learned counsel for the workman that this pass book entry was made at the residence as father of the account holder purportedly gave a sum of Rs. 21,000. But on reaching the bank, the amount was found to be Rs. 20,000 as such entry of Rs. 20,000 had been made and pass book entry remained for Rs. 21,000 and lateron the account holder deposited this amount of Rs. 1,000 to make up the withdrawal cheque. The version of the workman was also supported by the witnesses during the enquiry proceedings. Other entries of Rs. 12,500 and Rs. 20,000 were of the same nature and the stand of the workman was supported by the witnesses during the enquiry proceedings. Regarding the 3rd charge of making factitious entry of Rs. 10,000 in ledger as well as in pass book of SB Account No. 5613 in the name of Mahavir Singh it is argued that when the account holder pointed out that he had not deposited this amount the pass book entry was reversed but ledger entry was not reversed as the ledger was not with the workman. He has further argued that no monetary loss was suffered by the bank and the punishment of dismissal was excessive and there is no forgery and embezzlement of the money involved. It is thus argued that workman is entitled to be reinstated in service. On the other hand, the learned counsel for the management has argued that the repeated acts of the workman as pointed out by the applicant himself is enough to prove that the workman was indulging in embezzlement of the customers money and for this misconduct he was rightly dismissed from service. Therefore, the workman is not entitled to be reinstated.

7. On the submissions of the learned counsels for both the parties I gave thoughtful consideration. The enquiry was not challenged by the workman and only findings have been challenged. It is pleaded that the deposition of the witnesses during the enquiry was not believed by the enquiry officer. But in my considered opinion, oral evidence contrary to the documentary evidence has not been believed. It is admitted by the workman that entries were made by him but it is claimed that these entries were under bona fide mistake. Repeated acts of such entries do not speak of the bona fide of the workman. It is clear that he deliberately made such entries in order to misappropriate the money. This is clearly a case of misappropriation. The workman, therefore, cannot be absolved by saying that the entries were made in good faith and these were bona fide mistakes. Therefore, the workman deserved no leniency and the punishment of dismissal has rightly been imposed upon the workman. It

is also held that enquiry had been conducted properly and the workman was given full opportunity of defence and the enquiry was conducted in accordance with the principles of natural justice. There is no merit in the reference and the same is returned against the workman. Central Govt. be informed.

AWARD

(Passed on 5-2-2003)

The Central Govt. Ministry of Labour vide Notification No. L-17012/18/92-I.R.(B.II) dated 1st September 1992 has referred the following dispute to this Tribunal for adjudication :

"Whether the claim of General Insurance Employees Association, North Zone Chandigarh that Sh. Jasbir Singh, Clerk-cum-Typist is entitled for back wages in the scale of Rs. 1000-2850 with other attendant benefits in terms of CGIT, Chandigarh Award dated 11-12-89 in ID 61/86, is justified? What other benefits the workman is entitled in terms of that Award and at what rate ?

2. The workman in his claim statement has pleaded that his services were terminated by the Management w.e.f. 13-12-1984 and he had challenged his termination by way of reference No. 61/86 which was decided on 11-12-1989 in favour of the workman whereby he was ordered to be reinstated in services with full backwages and other attendant benefits. The workman in pursuance of that award was allowed to join his services as assistant typist w.e.f. 5-9-90 in the scale of Rs. 1000-2850. He was attending his duties before termination of his service which were the duties of assistant typist, therefore, he was entitled for the scale of pay in pursuance of the award passed by the Tribunal in his favour on 11-12-1989. He has also pleaded that some other persons were allowed regular pay scales. It is further pleaded that he was performing the same duties as attached to the post of assistant and is entitled for the regular pay scale from the very beginning on the principle of equal pay for equal work. He has also filed the LCA No. 78 of 1986 for claiming arrears on account of equal pay but the same was rejected. It is also pleaded by the workman that he was paid at the time when he was on daily wages @Rs. 18 per day and on his reinstatement he was paid at the same rate of backwages. He has thus prayed that his services be regularised w.e.f. 14-9-83 and he be paid all the arrears in his scale of pay of the post including seniority etc.

2. In the written statement the management has pleaded that the Hon'ble Tribunal found the termination of the workman as illegal and he was reinstated by the management and all his backwages have been paid to him. In the present reference he is not entitled for regularisation of his services from 14-9-1983 since there is no such direction in the award passed by this Tribunal. Therefore, the workman has no right to claim regularisation and also to the pay scale w.e.f. 14-9-83. His LCA No. 78/86 has been

dismissed as he was not entitled to the claim. The workman was engaged purely on daily wage basis @Rs. 18 per day and rule of the company are not strictly applicable to the daily wage employees and regular employees are holding more responsibility towards their post and work. Therefore, the principle of equal pay for equal work is not applicable in the case of the workman. The contention of the workman that other persons were given the pay scale; it is pleaded that they were appointed on regular basis. It is also averred that the award was fully implemented and the workman is not entitled to any relief from this Tribunal in the present reference. The management has thus prayed for the rejection of the reference.

4. Replication was also filed reiterating the claim made in the claim statement.

5. In evidence the applicant filed his affidavit Ex. W1 and he himself appeared for cross-examination as WW1. He has admitted in cross-examination that he was working on daily wage basis prior to termination and was getting Rs. 18 per day. He has also admitted that he was paid backwages amounting to Rs. 30924 in terms of the Award. He has also admitted that his LCA No. 78/86 has been dismissed by the Court. In rebuttal the management filed the affidavit of S. Maman as Ex. M1. He has admitted the appointment letter on reinstatement of the workman W2.

6. I have heard the learned counsel for both the parties and have gone through the evidence and record of the case.

7. The learned counsel for the workman has argued that the award has been passed in favour of the workman and he was reinstated by the management but he was not allowed the regular pay scale w.e.f. 14-9-83 and he was paid the arrears @Rs. 18 per day which is against the spirit of the Award passed by this Tribunal as the Tribunal passed the Award in favour of workman ordering reinstatement of the workman with full backwages and with all other attendant benefits. He has also drawn my attention to the following authorities of the Hon'ble Supreme Court and the Hon'ble High Court which are as follows :

1. AIR 1981 S.C. page 806 Mohan Lal Vs. The management of M/s. Bharat Electronics.
2. 2001 (4) S.C.T. page 300 Balwan Singh Vs. Presiding Officer.
3. 1994(3) R.S.J.P & H 753 Punjab Seeds Corporation Vs. Presiding Officer.
4. 2002(1) S.C.T.P & H 320 Ram Lakhan Vs. State of Punjab.
5. 2001 (4) S.C.T. 271 Pancham Ram Vs. State of Haryana.
8. On the other hand the learned counsel for the management has argued that the prayer has been made by

the workman in the claim statement itself for regularising the services w.e.f. 14-9-1983 and the award has already been implemented by the management by reinstating the workman by taking a liberal view in regular pay scale of Rs. 1000-2850 and backwages have also been paid to the workman as has been admitted by the workman in his cross-examination and nothing is due and by the resent reference only demand referred to this Tribunal is that whether the workman is entitled for backwages in the pay scale of 1000-2850 in terms of the Award passed on 11-12-1989 by this Tribunal. He has further argued that the workman was initially engaged on daily wage basis @ Rs. 18 per day and he is not entitled to regular pay scale for the period from 14-9-1983 to the date of his reinstatement as nothing has been mentioned in the Award and the Award can not be now reopened.

9. I have considered the contentions of the learned counsels for the parties, and have also gone through the award passed. The authorities cited by the learned counsel for the workman apply where the termination of the workman was questioned. But in the case in hand the reference was made by the Appropriate Govt. as to whether the workman is entitled to the backwages in the scale of Rs. 1000-2850 in terms of the award dated 11-12-1989. There is not a single word about reinstating the workman in the scale, as demanded by the workman. He was reinstated on the same position as he was holding immediately before his termination on 13-12-1984. Admittedly the workman was working on daily wages on the date of termination and he is entitled to be reinstated on the same position and he was also to be paid the backwages at the rate of daily wages. As per the award dated 11-12-1989 the workman was not entitled to be reinstated in service in the pay scale of the post of Rs. 1000-2850. The other attendant benefits as attached the post of daily wages have not been proved by the workman. Thus he is not entitled to other benefits as has been demanded by him. He has only prayed for his regularisation and arrears which is not admissible to him in terms of the Award dated 11-12-1989. I find no merit in the present reference and the same is returned against the workman. Central Govt. be informed.

ORDER

The Govt. of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-40012/146/96-IR(DU), dated, the 16th March, 1998.

SCHEDULE

"Whether the action of the management of Postal Department in terminating the services of Smt. Mithilesh Devi EDMC, Rukhai Branch Post Office is legal and justified ? If not to what relief the workman is entitled to?"

2. In this reference neither the concerned workman nor his representative appeared before this Tribunal. However, only the management made their appearance in it. It is seen from the record that the instant reference was received by this Tribunal on 7-4-1998 and since then it is pending for disposal. Registered notices were also issued to the workman but inspite of the issuance of notices the workman side has failed to turn up. In terms of Rules 10 B of the I.D. Central Rules, 1957 submission of W.S. by the concerned workman within 15 days is a mandatory one. The concerned workman not only violated the said provision of the Rules, but also did not consider necessary to give any response to the notices issued by this Tribunal. In natural course the question which will arise is what will be the fate of the reference made by the Ministry for its disposal. The reference is made on the basis of dispute raised by the concerned workman/union. Naturally responsibility rests with the concerned workman/union to assist the Court to dispose of the reference in issue on merit. In view of the decision reported in 2002 (94) FIR 624 it will not be just and proper to pass 'No Dispute' Award when both the parties remain absent. There is also no scope to answer the reference on merit in absence of any W.S. and available documents. There is no dispute to hold that when any reference is made it is expected to be disposed of on merit but when the parties do not take any step or do not consider even to file W.S. such expectation to dispose of the reference on merit comes to an end. It is not expected that for years together the Court will pursue the matter *suo*

moto with the expectations for appearance of the parties inspite of issuance of registered notices. As per I.D. Act the workman excepting under provisions of Section 2 A is debarred from raising any industrial dispute. The disputes are mainly raised by the Union for their workmen. These unions inspite of receiving notices did not care to appear before the Court for the interest of the workman and as a result they have been deprived of getting any justice. Until and unless the attitude of the union is changed I consider that this uncalled for situation will persist. Definitely is the duty of the Court to dispose of the reference on merit but it depends on the cooperation of both sides. Here the record will clearly expose that sufficient opportunities had been given to the parties but yielded no result. This attitude shown clearly that the parties are not interested to proceed with the hearing of the case for disposal on merit..

In view of the facts and circumstances, I also do not find any sufficient reason to drag on the case for an indefinite period. Accordingly as there is not scope to dispose of the reference in question on merit, the same is closed.

INDUSTRIAL DISPUTE No. 41/2002

[In the matter of the dispute for adjudication under clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947), between the workman Sri S. APPEARANCES:

For the Management : Sri K. Sambasivam, Addl. SGC

The Govt. of India, Ministry of Labour in exercise of powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of Industrial Disputes Act, 1947 (14 of 1947), have referred the concerned industrial dispute for adjudication vide Order No. L/40011/26/2001/IR(DU) dated 24-4-2002.

On receipt of the order of reference from the Government of India, Ministry of Labour, this case has been taken on file as I.D. No. 41/2002 and notices were sent to the parties to the dispute by registered post, with a direction to appear before this Tribunal on 14-05-2002 to file their respective Claim Statement and Counter Statement and to prosecute this case further. Accordingly, learned counsel on record on either side have filed their respective claim statement and counter statement and prosecuted this case further.

Upon perusing the Claim Statement, Counter Statement, documentary evidence let in on the side of the I Party/Workman alone, the other material papers on record, the written arguments filed by the learned counsel for the II Party/Management alone and this matter having stood over till this date for consideration, this Tribunal has passed on merits, the following :

ORDER-1002/2001/1004-AWARD

The Industrial Dispute referred to in the above mentioned order of reference by the Central Govt. for adjudication by this Tribunal is as follows :—

“Whether the action of management of Superintendent of Post Offices, Mayiladuthurai Division, Mayiladuthurai in imposing the penalty of dismissal of Sri S. Sivanandam is just, fair and legal ?

If not, to what relief the workman is entitled ?”

2. The averments in the Claim Statement filed by the I Party/Workman Sri S. Sivanandam (hereinafter refers to as Petitioner) are briefly as follows :—

The Petitioner was appointed as Extra Departmental Branch Post Master at Manakkudi BO by the Superintendent of Post Offices, Mayiladuthurai in the year 1986. He has rendered his services to the entire satisfaction of his superiors without any blemish. He was issued with charge memo dated 28-8-97 alleging that while working as Branch Post Master Manakkudi BO kept the office cash short by Rs. 894.60 on 28-7-97 and that on 28-5-1997 he accepted a sum of Rs. 75.50 from Sri K. Veeramani, holder of R.D. Account No. 578443, but failed to credit the amount into Govt. account and that he accepted a sum of Rs. 360 and Rs. 350 on 8-5-97 and 4-6-97 respectively from Sri S. Marimuthu for deposit into S.B. account No. 607089 but failed to credit the amounts into post office account and that the Petitioner has violated Rule 11 and 131 of Book of BO Rules and that he failed to maintain absolute integrity and devotion to duty as required by Rule 17 of P & T E.D. Agents (Conduct & Service) Rules, 1964. The Petitioner had denied the charges. So, the domestic enquiry was conducted to enquire into the charges levelled against the Petitioner. During the enquiry the prosecution produced 23 documents and 8 witnesses in support of the charges. The Petitioner had produced 7 documents and 7 witnesses in the defence to prove his innocence. The Enquiry Officer has conducted the enquiry in violation of principles of natural justice and finally submitted his report dated 3-12-98 holding that the Petitioner is guilty of the charges levelled against him. The Superintendent of Post Offices, Mayiladuthurai Division mechanically upheld the Enquiry Officer's report and imposed severe punishment of removal from service by a memo dated 21-1-99. Aggrieved by this order, the Petitioner preferred an appeal to the Director of Postal Services, Trichy on 5-4-99 and the Appellate Authority without application of mind rejected the same by memo dated 28-6-2000. Then the Petitioner has raised this industrial dispute before the conciliation officer Regional Labour Commissioner (Central), Chennai and as the same could not be settled, he submitted a failure of conciliation report to the Ministry, which in turn has referred this dispute for adjudication by this Tribunal. Without furnishing of copies of 20 documents mentioned in Annexure III to the charge memo, the Superintendent of Post Offices, Mayiladuthurai Division, Mayiladuthurai called for explanation of the Petitioner within ten days from the date of receipt of the charge memo. The non-furnishing of the documents along with charge memo deprived the Petitioner an opportunity to meet the charges levelled against him effectively. Thus the Petitioner has been denied a reasonable opportunity to defend his case which is in violation of principles of natural justice and as such the disciplinary proceeding is vitiated. The Investigating

Officer obtained the statements in the absence of the Petitioner during the preliminary enquiry. The statements obtained by the Investigating Officer in the fact finding enquiry behind the back of the Petitioner ought not to have been brought on record, as per the instructions of Ministry of Home Affairs. Out of 16 witnesses in Annexure IV of the charge memo, the II Party/Management had omitted to examine 8 witnesses but relied on their statements obtained during the fact finding enquiry in the absence of the Petitioner. The Enquiry Officer relied upon the statements given by the witnesses during the fact findings enquiry without examining them as witnesses in the domestic enquiry resulted in denial of reasonable opportunity to the Petitioner to defend his case. Those persons have not been subjected to cross-examination by the Petitioner in the domestic enquiry, hence it is in violation of principles of natural justice and as such the entire proceedings are vitiated. The Petitioner had requested for supply of 18 documents as additional documents out of which the Enquiry Officer supplied only 5 documents, it amounts to biased attitude of the Enquiry Officer. The non-supply of additional documents requested by the Petitioner amounts to denial of reasonable opportunity to the Petitioner to prove his innocence and submit his defence in an effective manner. The Petitioner was denied by the Enquiry Officer to examine the four defence witnesses and the said denial is in violation of principles of natural justice. This is a case of no evidence. When the Investigating Officer has conducted the fact finding enquiry, he has not taken into account the amount available in the office as per the statement given by Selvi Viji and has hastily arrived at the conclusion as that of shortage of amount. The conclusion arrived at by the Investigating Officer during the fact finding enquiry and the Enquiry Officer during the domestic enquiry are not based on evidence. The prosecution has failed to prove the charges levelled against the Petitioner. The charges levelled against the Petitioner were held to be proved by the Enquiry Officer. It is illegal, arbitrary and vindictive. The II Party/Postal Department management had imposed the punishment basing on the findings of the Enquiry Officer and removed the Petitioner from service which is severe and illegal. Hence, this Hon'ble Tribunal may be pleased to set aside that penalty imposed by the II Party/Management on the Petitioner and direct the II Party/Postal Department management to reinstate the Petitioner in service as Extra Departmental Branch Post Master, Manakkudi BO with all concomitant service and monetary benefits.

3. The averments in the Counter Statement filed by the II Party/Superintendent of Post Offices, Mayiladuturai Division, Mayiladuturai (hereinafter referred to as Respondent) are briefly as follows :—

The Petitioner namely Gramin Dak Sevak is not a worker. The question of employee-employer relationship does not arise in this case. Therefore, the ID Act will not be

applicable to both parties. The Petitioner is exclusively covered and well protected under separate set of rules called Extra Departmental Agents (Conduct & Service) Rules, 1964 and now amended as GDS (Conduct & Employment) Rules, 2001 and other constitutional protection under Article 311 etc. The Petitioner has his grievances redressed through his own channels like appeal, petition and Central Administrative Tribunal only. Hence, this Hon'ble Tribunal has no jurisdiction to adjudicate and decide this present case. During the preliminary enquiry before the Assistant Superintendent of Post Offices, Mayiladuturai North Sub Division, the Petitioner has admitted in his written statement that he kept cash balance short of Rs. 894.60 on 28-7-97, that he accepted a deposit of Rs. 75.50 from Sri K. Veeramani, holder of R.D. account No. 578443 on 28-5-97 but failed to credit the amount into Govt. account and accepted a sum of Rs. 360 and Rs. 350 on 8-5-97 and 4-6-97 respectively from S. Marimuthu for deposit into his S.B. account No. 607089 but did not credit the amounts into post office account, contravening the rules 11 and 131 of Book of BO rules. On receipt of the charge memo, the Petitioner in his reply dated 01-10-97 had admitted the charges levelled against him in the charge memo. However, in order to give him a reasonable opportunity, an oral enquiry was ordered by the Respondent by appointing an officer to conduct the enquiry. Thus, the Petitioner was given a reasonable opportunity to prove his innocence. The Enquiry Officer conducted the enquiry in an unbiased manner as per the rules and procedure before submitting his enquiry report to the Respondent. The proceedings of the enquiry were admitted and signed by both the Petitioner and his defence assistant in the daily order sheet of the each sitting without any objection. The allegation of the Petitioner that the Enquiry Officer conducted the enquiry in violation of principles of natural justice made now as an afterthought of the Petitioner. As the charges framed against the Petitioner were proved beyond doubt by oral and documentary evidence adduced during the enquiry, the punishment of removal from service was imposed on the Petitioner by the Respondent on the merit of the case. The appeal was also therefore decided by the Appellate Authority accordingly on merit of the case. Hence, the allegation that the Enquiry Officer conducted the enquiry in violation of principles of natural justice and the Disciplinary Authority mechanically upheld the Enquiry Officer's report and imposed the severe punishment and that the Appellate Authority rejected the appeal without application of mind etc. are not true and not based on facts. Because the charges were proved which speak the integrity of the Petitioner, the Respondent issued the punishment order commensurate with the offences committed by the Petitioner that tarnished the image of the department before the eyes of the public. There was no denial of reasonable opportunity or violation of principles of natural justice and also miscarriage of justice. Though 8 witnesses as mentioned in Annexure IV did not appear for

the enquiry for prosecution side, despite issue of summons by registered post, it is to state that the witnesses who did not appear for prosecution side appeared as defence witnesses. They were well examined by defence side. One witness by name K. Ragu was expired and so he could not be examined. Though the makers of remaining documents did not attend the enquiry, their statements were identified and filed as prosecution documents during the enquiry through the Assistant Superintendent of Post Offices, Mayiladuturai North Sub Division who investigated the case and recorded these statements. The defence assistant of the Petitioner well utilised the opportunity and cross examined the Assistant Superintendent of Post Offices, as well as other prosecution witnesses as defence witnesses during the enquiry. Both the Petitioner and his defence representative admitting their filing as prosecution documents signed that day's proceedings and thereby authenticated their validity. As such, there was no question of denial of reasonable opportunity and violation of principles of natural justice. The Petitioner requested for 20 additional documents and not 18 and his request was considered by the Enquiry Officer carefully and 5 of them were permitted as relevant to the charge and the remaining 15 documents were rejected and the reasons were recorded by the Enquiry Officer in the daily order sheet. This was admitted by the petitioner as well as his defence assistant and they have signed the daily order sheet without any objection. 5 out of the 12 persons to be examined as defence witness as per the Petitioner's request were not permitted by the Enquiry Officer for the reason that they were not mentioned anywhere in the charge memo. The Superintendent of Post Offices, Mayiladuturai Division was sought to be examined as a defence witness to prove the plea of the Petitioner that he put off duty of the charge sheeted employee was in gross violation of rules. The Enquiry Officer has declined the request of examining the Superintendent of Post Offices, Mayiladuturai Division as a defence witness, since he has considered it as irrelevant to the case. There is no denial of reasonable opportunity to the Petitioner. The Petitioner in his statement during the preliminary enquiry before the Assistant Superintendent of Post Offices, Mayiladuturai North Sub Division admitted that he made use of the deposit of Rs. 75.50 in the R.D. Passbook No. 578443 on 28.5.97 but did not actually credit the amount into Post Office account. The Petitioner has been found guilty of the charges as per the recorded evidences during the enquiry. The offences committed by him were of serious in nature and the Petitioner was found to have failed to maintain devotion to duty and integrity. The Petitioner has damaged the faith and confidence of the public in the Govt. Department. The offences are not trivial in nature but involves moral turpitude of the Petitioner. Hence, the Petitioner was awarded the punishment of removal from service. Therefore, it is prayed that this Hon'ble Tribunal may be pleased to dismiss the claim made by the Petitioner.

4. When the matter was taken up for enquiry, no one has been examined as a witness on either side. 5 documents have been marked on the side of the I Party/Workman as Ex. W1 to W5. Ex. W1 is the xerox copy of the charge memo dated 29-9-97 issued to the Petitioner mentioning the alleged misconduct of the Petitioner as articles of charges 1 to 3. Ex. W2 is the xerox copy of the enquiry report for the Enquiry Officer with his findings that the charges levelled against the Petitioner have been proved beyond doubt. Ex. W3 is the xerox copy of the proceedings dated 21-1-99 of the Superintendent of Post Offices, Mayiladuturai Division by which he ordered removal of service with immediate effect against the Petitioner as penalty for the proved charges. Ex. W4 is the xerox copy of the appeal preferred by the Petitioner to the Appellate Authority, the Director of Postal Services, Central Region, Trichy, Ex. W5 is the xerox copy of the order dated 29-6-2000 passed by the Appellate Authority by confirming the penalty and rejecting the appeal of the Petitioner. The learned counsel for the II Party/Management alone has filed his written arguments. Though an opportunity was given to the counsel for the Petitioner/Workman, she has not chosen to advance her oral arguments or to file her written arguments.

5. The point for my consideration is :—

“Whether the action of management of Superintendent of Post Offices, Mayiladuturai Division, Mayiladuturai in imposing the penalty of dismissal of Shri Sivanandam is just, fair and legal ? If not, to what relief the workman is entitled ?”

Point :—

The I Party/Petitioner Sri S. Sivanandam has been issued with charge memo dated 29-9-97 under Ex. W1 alleging that there was a shortage of cash and stamps to the value of Rs. 894.60, when the Assistant Superintendent of Post Offices, Mayiladuturai North Sub Division visited an inspection on 28-7-97 and that it was revealed in the investigation that the Petitioner had committed fraud in payment of telegraph Money Order for Rs. 2000, payments of 47 old age pension to the tune of Rs. 4,700 and by not making credit of deposit of Rs. 710 in S.B. Accounts Rs. 75.50 in R.D. Accounts and Rs. 100 in two Miscellaneous Accounts. It is not denied that the daughter of the Petitioner credited a sum of Rs. 7594.60 on 28-7-97 taking the responsibility for her father at the Branch Post Office itself and the Petitioner voluntarily credited the remaining amount i.e. 1385.50 into Govt. account under ACG I7 receipt No. 10 dated 8-8-97. It is also not disputed that the Petitioner was placed under off duty on 1-8-97 by the Assistant Superintendent of Post Offices and he was subsequently issued with charged memo under Ex. W1. It is contended on the side of the II Party/Management that the Petitioner has admitted the charges levelled against him in his reply dated 1-10-97 to the charge memo. It is mentioned in the

Enquiry Officer's report that the daughter of the charge sheeted employee in her statement dated 28-7-97 had admitted that at the time of verification by Assistant Superintendent of Post Offices, Mayiladuturai North Sub Division, there was a shortage of Rs. 894.60 and the charge sheeted employee did not turn up to the branch office since 26-7-97 and she credited the shortage and the amount of fraudulent M.Os into B.O. Accounts voluntarily and then the charge sheeted employee also in his statement dated 1-8-97 before the Assistant Superintendent of Post Offices, Mayiladuturai North Sub Division admitted the above versions and deposed that he utilised the said amount for medical expenses of his wife. This has not been denied by the Petitioner as false statements. It is also mentioned in the proceedings of the Superintendent of Post Offices, Mayiladuturai Division that after receiving the memo dated 29-9-97 the charge sheeted employee has given his representation dated 1-10-97 admitting the charges unconditionally and unequivocally and had also submitted a mercy petition and that in order to give him a reasonable opportunity, a domestic enquiry was ordered and since in the preliminary enquiry the charge sheeted employee had denied all the three charges framed against him, further enquiry was held and 8 witnesses were examined and 23 exhibits were marked on the side of the management and the Petitioner had examined 7 defence witnesses apart from exhibiting seven documents on his side. All these things have not been denied or disputed by the Petitioner. A perusal of the enquiry report Ex. W2 clearly shows that the Petitioner as charge sheeted employee was given sufficient opportunity to put forth his defence effectively in the domestic enquiry and the Petitioner has availed the opportunity by engaging a defence assistance to assist him in the domestic enquiry. It is also seen from records, after the entire recording of evidence in the domestic enquiry has been completed, the Enquiry Officer has posted the enquiry on 4-9-91 for questioning the charge sheeted employee on the basis of the evidence both oral and documentary placed before him, the Petitioner preferred to file a petition to the Director of Postal Services stating that the Enquiry Officer is biased, after that the petition was rejected by the Director of Postal Services on 5-10-98 and the same was conveyed to the Petitioner on 7-10-98, the enquiry was resumed on 22-10-98 by the Enquiry Officer for questioning the charge sheeted employee. On that day the Petitioner did not co-operate in the enquiry but staged a walk-out without signing the day's proceedings. Then after the Presenting Officer submitted his brief the Enquiry Officer had sent his report to the Petitioner on 4-12-98 and the petitioner has submitted his reply dated 25-12-98. Then after considering all these materials placed before him, the Enquiry Officer given his finding that the charges framed against the Petitioner charge sheeted employee have been proved. From this it is seen that the Petitioner, charge sheeted employee though he has admitted the charges

levelled against him in his reply dated 1-10-97 was given sufficient opportunity in the domestic enquiry to put forth his defence effectively and the same was availed by him in full by getting a defence assistant. So under such circumstances, it cannot be said that the Petitioner has been denied a reasonable opportunity in defending this case which amounts to violation of principles of natural justice and hence, the Disciplinary proceeding is vitiated. It is also not a case of no evidence. The findings of the Enquiry Officer cannot be said to be perverse and without any basis. On the other hand, a perusal of the Enquiry Officer's report clearly show that ample evidence was placed before him both oral and documentary by the Respondent/Management to prove the charges levelled against the Petitioner, the charge sheeted employee, and the Enquiry Officer after analysing all these things in detail has given his findings with reasons that the charges levelled against the Petitioner have been proved beyond doubt. The Disciplinary Authority also has taken into consideration all the materials in this dispute along with the Enquiry Officer's report by analysing each of the charges in detail and also the representation of the charge sheeted employee dated 25-12-98, has passed an order under Ex. W3 by imposing the penalty of removing the Petitioner from service with immediate effect and he has done so following the prescribed rules. It is also stated on the side of the Respondent/ Management a criminal case registered under Crime No. 814/97 under section 409 of IPC against the Petitioner by the Inspector of Police, Sembana Kovil, Nagapattinam District is still pending. It is not denied by the petitioner. So, from all these things, it is seen that after the Respondent/Management giving reasonable opportunity to the Petitioner as charge sheeted employee and after following the principles of natural justice awarded the punishment to the petitioner for the proved misconduct as removal from service, which is commensurate to the gravity of the misconduct committed by the Petitioner. As it is contended by the learned counsel for the Respondent/Management, the offences committed by the Petitioner were of serious in nature in which the Petitioner was found to have failed to maintain devotion to duty and integrity and he had damaged the faith and confidence of the public in the Govt. Department and the offences committed by the petitioner are not trivial in nature but involves moral turpitude of the Petitioner. This argument of the learned counsel for the Respondent/ Management can be accepted as correct on the basis of the materials available in this case. Therefore, it cannot be said the punishment awarded to the Petitioner for his proved misconduct by removing him from service as severe or unjustified. Therefore, it is held that the action of the management of Superintendent of Post Office, Mayiladuturai Division, Mayiladuturai in imposing the penalty of dismissal of Sri S. Sivanandam is just, fair and legal. Hence, the concerned workman is not entitled for any relief. Thus, the point is answered accordingly.

ORDER

The Govt. of India, Ministry of Labour, in exercise of the powers conferred on them under Section 10(1)(d) of the I. D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L- 20012/164/95-IR (Coal-I), dated, the Nil.

SCHEDULE

"Whether the action of the management of M/s. Tisco in not providing employment to Smt. Lakhia Devi dependent wife of late Devanand Viswakarma is justified ? If not, to what relief is the concerned workman entitled ?"

2. In this reference neither the concerned workman nor his representative appeared before this Tribunal. However, only the management made their appearance in it. It is seen from the record that the instant reference was received by this Tribunal on 3-7-98 and since then it is pending for disposal. Registered notices were also issued to the workman but inspite of the issuance of notices the workman side has failed to turn up. In terms of Rule 10B of the I.D. Central Rules, 1957 submission of W.S. by the concerned workman within 15 days is a mandatory one. The concerned workman not only violated the said provision of the rules but also did not consider necessary to give any response to the notices issued by this Tribunal. In natural course the question which will arise is what will be the fate of the reference made by the Ministry for its disposal. The reference is made on the basis of dispute raised by the concerned workman/union. Naturally responsibility rests with the concerned workman/union to assist the Court to dispose of the reference in issue on merit. In view of the decision reported in 2002(94) FLR 634 it will not be just and proper to pass 'No dispute' Award

when both the parties remain absent. There is also no scope to answer the reference on merit in absence of any W.S. and available documents. There is no dispute to hold that when any reference is made it is expected to be disposed of on merit but when the parties do not take any step or do not consider even to file W.S. such expectation to dispose of the reference on merit comes to an end. It is not expected that for years together the Court will pursue the matter *suo moto* with the expectations for appearance of the parties inspite of issuance of registered notices. As per I.D. Act the workman, excepting under provisions of Section 2A is debarred from raising any industrial dispute. The disputes are mainly raised by the union for their workman. These unions inspite of receiving notices did not care to appear before the Court for the interest of the workman and as a result they have been deprived of getting any justice. Until and unless the attitude of the union is changed I consider that this uncalled for situation will persist. Definitely it is the duty of the Court to dispose of the reference on merit but it depends on the cooperation of both sides. Here the record will clearly expose that sufficient opportunities had been given to the parties but yielded no result. This attitude shows clearly that the parties are not interested to proceed with the hearing of the case for disposal on merit.

In view of the facts and circumstances, I also do not find any sufficient reason to drag on the case for an indefinite period. Accordingly as there is no scope to dispose of the reference in question on merit, the same is closed.

In view of the decision reported in 2002 (94) FIR 624 it will not be just and proper to pass 'No Dispute' Award when both the parties remain absent. There is also no scope to answer the reference on merit in absence of any W.S. and available documents. There is no dispute to hold that when any reference is made it is expected to be disposed of on merit but when the parties do not take any step or do not consider even to file W.S. such expectation to dispose of the reference on merit comes to an end. It is not expected that for years together the Court will pursue the matter *suo moto* with the expectations for appearance of the parties inspite of issuance of registered notices. As per I.D. Act the Workman excepting under provisions of Section 2A is debarred from raising any industrial dispute. The disputes are mainly raised by the Union for their workmen. These unions inspite of receiving notices did not care to appear before the Court for the interest of the workman and as a result they have been deprived of getting any justice. Until and unless the attitude of the union is changed I consider that this uncalled for situation will persist. Definitely it is the duty of the Court to dispose of the reference on merit but it depends on the cooperation of both sides. Here the record will clearly expose that sufficient opportunities had been given to the parties but yielded no result. This attitude shows clearly that the parties are not interested to proceed with the hearing of the case for disposal on merit.

In view of the facts and circumstances, I also do not find any sufficient reason to drag on the case for an indefinite period. Accordingly as there is no scope to dispose of the reference in question on merit, the same is closed.

ORDER

The Govt. of India, Ministry of Labour in exercise of powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012/151/98 IR (C-I), dated, the 1st December, 1998.

SCHEDULE

- “Whether the action of the management of Bhagabandh Colliery of M/s. BCCL in not providing employment to the dependent son, Sri Santosh Pd. Lal son of late Patu Devi, Ex-clay cartridge maker under clause 10.4.2 of NCWA-II is justified ? If not, to what relief Sri Santosh Pd. Lal, son of late Patu Devi is entitled ?”

2. In this reference neither the concerned workman nor his representative appeared before this Tribunal initially. Subsequently, his representative of the concerned workman though appeared on two occasion failed to appear thereafter and also did not consider necessary to submit any written statement. The management made their appearance in it but also did not submit any written statement. It is seen from the record that the instant reference was received by this Tribunal on 22-12-1998 and since then it is pending for disposal. Registered notices were also issued to the workman but inspite of the issuance of notices the workman side has failed to turn up. In terms of Rule 10 B of the I.D. Central Rules, 1957 submission of W.S. by the concerned workman within 15 days is a mandatory one. The concerned workman not only violated the said provision of the Rules but also did not consider necessary to give any response to the notices issued by this Tribunal. In natural course the question which will arise is what will be the fate of the reference made by the Ministry for its disposal. The reference is made on the basis of dispute raised by the concerned workman/union. Naturally responsibility rests with the concerned workman/union to assist the Court to dispose of the reference in issue on merit. In view of the decision reported in 2002 (94) FIR 624 it will not be just and proper to pass ‘No Dispute’ Award when both the parties remain absent. On behalf of the employers : Shri D.K. Verma,

Dated, Dhanbad, the 27th February, 2003.

AWARD

The Govt. of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act., 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012/257/96-IR(C-I), dated, the 13th October, 1997.

SCHEDULE

"Whether the action of the management of Lodna Colliery of M/s. BCCL is denial to make assessment of date of birth of Shri Raghu Nath Pandey is legal and justified ? If not, to what relief is the concerned workman entitled?"

9156703-20.

2. The case of the concerned workman according to the W.S. submitted by the sponsoring Union on his behalf in brief is as follows :

The sponsoring union submitted that the concerned workman was a permanent employee at Lodna Colliery office under Lodna Area in the capacity of office Peon under the management. They submitted that at the time of his appointment his date of birth was recorded in the Form B register as 1944. The same date of birth was also recorded in his I.D. card issued by the management. They further submitted that in the Coal Mines Provident Fund record maintained by the C.M.P.F. the same date of birth was also recorded. In the year 1987 management issued service except to the concerned workman wherein also his date of birth was recorded as 1944 and for which there was no question to raise any dispute relating to his date of birth. They submitted that when the workman came to know that in the new Form B Register his date of birth was recorded as 1941 in an arbitrary and unjustified manner, he approached the management for due correction of his date of birth but they refused to correct, the same. They submitted that if the management would find that there was discrepancies in the entries of statutory records regarding the date of birth of the concerned workman there was scope as per provision of law to assess his date of birth by the Apex Medical Board but the management illegally and arbitrarily denied to assess his age by the Apex Medical Board. As a result the management compelled the sponsoring union to raise an industrial dispute which resulted reference to this case for award.

3. The sponsoring union accordingly submitted prayer to pass an award directing the management either to accept the date of birth of the concerned workman as 1944 or his date of birth is to be assessed by the competent authority.

4. The management on the contrary after filing W.S.-cum-rejoinder have denied all the claims and allegations which the sponsoring union asserted in their W.S. They submitted that at the time of his appointment date of birth of the concerned workman was recorded as 1941 in the Form B register. They disclosed that as per certified standing order maintained by the management the superannuation of a workman has to be effected as per the date of birth recorded in the statutory Form B Register of the company. They submitted that in the year 1987 due to clerical mistake the service except of the concerned workman was communicated to him without being unsigned and unsealed by the competent authority and for which the date of birth of the concerned workman was recorded as 1944 instead of 1941. They submitted that as soon as the said clerical mistake was detected, the date of birth which was wrongly recorded therein had duly been rectified. They disclosed that as there was no ambiguity in the matter of recording date of birth of the concerned

workman in the Form B Register. Question of asking him to appear before Apex Medical Board for assessment of his age as per claim of the sponsoring union did not arise. They denied the fact that they committed any illegality or took any arbitrary decision in not sending the concerned workman before Apex Medical Board for assessment of his age.

5. Accordingly, the management submitted their prayer to pass award rejecting the claim of the workman.

6. The points to be decided in this reference are :—

“Whether the action of the management of Lodna Colliery of M/s. BCCL in denial to make assessment of date of birth of Shri Raghu Nath Pandey is legal and justified ? If not, to what relief is the concerned workman entitled ?”

DECISIONS WITH REASONS

7. It transpires from the record that both the sponsoring union and the management have examined one witness each to substantiate their respective claim and counter claim.

8. Considering the evidence of both sides and also considering materials on record I find no dispute to hold that the concerned workman was office Peon at Lodna colliery office under Lodna area of the management. It is the specific claim of the concerned workman that his date of birth was recorded as 1944 in the Form ‘B’ Register while he joined his service. He disclosed that thereafter management issued his identity card wherein also his date of birth was recorded as 1944. In the C.M.P.F. record maintained by the Coal Mines Provident Fund Authority the same date of birth was recorded. The concerned workman further submitted that the management in the year 1987 issued service excerpts to him wherein along with other particulars his date of birth was recorded as 1944 and for which he returned back the said service excerpt being signed by him without raising any dispute in relation to his age. He alleged that the management relying on the entry recorded in the new Form B register disclosed that his date of birth was 1941. He submitted that the moment he came to know about this Act raised his objection and submitted representation for rectification of his date of birth as 1944 instead of 1941. He also prayed for sending him before Apex Medical Board for assessment of his age but the management with ulterior motive did not pay any importance to his representation. On the contrary it has been submitted by the management that date of birth of the concerned workman was recorded as 1941 in the Form B Register. They admitting the fact relating to issuance of service excerpt to the concerned workman in the year 1987 submitted that in the said service excerpt due to clerical mistake date of birth of the concerned workman was recorded as 1944 instead of 1941 and immediately they rectified that mistake the moment it came to their knowledge.

9. There is no dispute to hold that Form B Register is a statutory register under the Mines Act and accordingly all entries in the said register are considered as authentic one until and unless any serious discrepancy comes into existence. MW-1 in course of his evidence disclosed that no service excerpt was issued to the concerned workman any day. He alleged that the concerned workman manufactured the said document for the interest of his own. In para 8 of the W.S. cum-rejoinder the management submitted that in the year 1987 due to clerical mistake service excerpt which was not signed or sealed was communicated to the concerned workman showing his date of birth as 1944. In para 9 it has been mentioned further that as soon as the said clerical mistake was detected the entry in the service excerpt was corrected accordingly. From the W.S. submitted by the management I have failed to find out any such whisper relying on which it can be said that the said service excerpt was manufactured by the concerned workman. Accordingly the fact which MW-1 disclosed in course of his evidence in relation to the service excerpt is to be considered as untrustworthy and for which it cannot be relied on.

10. The I.D. card of the concerned workman in course of his evidence was marked as Ext. W-1. This I.D. card was issued under signature of the controlling Authority on 20-7-89 wherein his date of birth was recorded as 1944. MW-1 in course of his evidence categorically submitted that the said identity card was never issued by the management in favour of the concerned workman. The identity card was issued under signature of the controlling officer. MW-1 in course of his evidence did not challenge the signature of the controlling officer appearing in the I.D. card in question. Management had got ample scope to produce the I.D. Card register to establish the falsity of the I.D. card in question relied on by the concerned workman but they did not consider necessary to do so. No satisfactory explanation is forthcoming on the part of the management under which circumstances they have failed to produce the same. Mere allegation that the I.D. card itself is a manufactured one carries on weight until and unless such allegation is substantiated by the management with cogent document. The service excerpt which is forthcoming before this Tribunal marked as Ext. W-4 show clearly that the date of birth of the concerned workman was recorded as 1944. It is the claim of the management that recording of the said date of birth of the concerned workman was due to clerical mistake and they rectified the said mistake the moment it came to their knowledge. In support of this claim they relied on the Form B Register marked as Ext. M/1. MW-1 in course of his evidence disclosed that in the Form B Register name of the concerned workman was recorded in Sl. No. 245 and in the respective column his date of birth was recorded as 1941 and not 1944. He further disclosed that the concerned workman never raised any dispute over his age before his retirement.

MW-1 during his cross-examination admitted that the service particulars of the concerned workman including his age was recorded by the present management relying on service particulars including his age recorded in the Form B Register maintained by the Private owner before nationalisation of the colliery. This very admission of MW-1 finds no dispute to hold that after nationalisation of the colliery present management took possession of the old Form B Register maintained by the Private owner. It is his specific claim of the concerned workman that at the time of his appointment his age in the Form B Register was recorded as 1944. In support of this claim the concerned workman not only relied on his family I.D. card, I.D. card, service excerpt, Ext. W-1, W-3, W-4 but also relied on the appointment form dt. 18-12-61 filled up by the management Ext. W-6 in support of his claim that his date of birth was recorded as 1944 and not 1941. Considering the evidence of MW-1 it clear that old Form B register is in possession of the management and the new Form B register was prepared relying on the particulars recorded in the old one. Form B Register is a statutory register and it is required to be preserved permanently. MW-1 in course of his evidence disclosed that it was not possible to produce the old Form B Register but has failed to assign any reason to that effect. It is not the claim of the management that the old register has been destroyed. As such the plea taken by MW-1 for non-production of this register can not be considered at all as an acceptable plea. It is seen that the concerned workman in support of his claim relied on different documents. Management has failed to establish that all those documents are false and manufactured. If the old Form B Register could have been produced it definitely would expose actually what was the date of birth recorded therein. Considering the conduct of the management there is sufficient reason to believe that the management intended to suppress some vital facts for the reason best known to them. It is the specific claim of the concerned workman that he submitted representation well before the date of his superannuation for rectification of his date of birth recorded in the new Form B Register. He even submitted his prayer for sending him before Apex Medical Board for assessment of his age but they turned down to his prayer as they strictly relied on the date of birth recorded in the Form B Register prepared by them relying on the old Form B Register. Management has failed to produce the old Form B Register to establish the authenticity of their claim. When distinct dispute came to light it ought to have been the duty of the management to satisfy the concerned workman in relation to his claim. Instead of doing so they acted arbitrarily. There was also scope on the part of the management to send the concerned workman to the Apex Medical Board for assessment of his age but they also did not consider to do so though the prayer of the concerned workman was modest.

11. Every workman has right to get himself satisfied in relation to his genuine claim and the management is

obligated to satisfy him as the relevant paper relating to service matters are preserved by them. Due to rigid attitude taken by the management the concerned workman was superannuated from his service without getting satisfactory answer from the management though the papers which he relied on shows clearly that decision of the management was arbitrary and against the principle of natural justice.

12. It is the settled principle of law to send the workman to the Apex Medical Board for assessment of his age if entries in relation to age recorded in different registers varies. Considering all facts and circumstances there is sufficient reason to believe that management took arbitrary decision refusing the claim of the concerned workman to sent him to Medical Board for assessment of his age particularly when they failed to establish that date of birth of the concerned workman stands on cogent footing. Though he has already been superannuated from service his age is required to be assessed by the Apex Medical Board.

In the result the following Award is rendered :—

“The action of the management of Lodna Colliery of M/s. BCCL in denial to make assessment of date of birth of Shri Raghu Nath Pandey through Apex Medical Board send is not legal and justified.”

Management accordingly is directed to arrange for medical test of the concerned workman for assessment of his age by the Apex Medical Board within two months from the date of publication of the Award in the Gazette of India.
